Extension Request

Subject: Extension Request: [Course Name] Assignment - [Your Name]

Dear Professor,

I am writing to respectfully ask for a short extension on the Digital Literacy Project due this Tuesday.

Unfortunately, I've been dealing with some unexpected technical issues with my laptop, which has put me a bit behind schedule. If possible, could I submit the work by 5th April?

I've already completed the research phase and just need a little more time to finalize the report. Thank you for considering my request.

Best regards,
